

Earth Day Craft

Binoculars

What You'll Need:

- 2 toilet paper rolls (or 1 paper towel roll cut in half)
- Hole puncher
- Stapler
- Yarn or string
- Crayons, markers or colored pencils (optional)

How To Make It:

1. Staple the 2 toilet paper rolls together.
2. Using the hole puncher, punch a hole on the outer side of each toilet paper roll.
3. Tie the piece of yarn/string to each side.
4. Decorate your binoculars using crayons, markers or colored pencils.

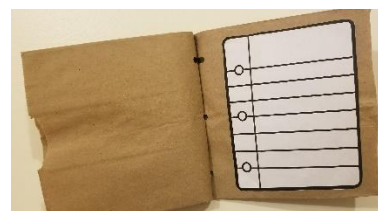

Nature Journal

What You'll Need:

- 2- 3 lunch paper bags
- Hole puncher
- Scissors
- Yarn or string
- 2-4 sheets of paper (attached)
- Crayons, markers or colored pencils

How To Make It:

1. Pull out the bottom end of each lunch bag and cut them off.
2. Place the paper bags on top of each other, facing the same way.
3. Fold them in half, use a hole puncher to punch 3 holes.
4. Tie each hole using a piece of yarn.
5. Cut and glue the paper sheets (attached) to the inner sleeves.
6. Decorate using crayons, markers or colored pencils.
