

STORYTIME CRAFT

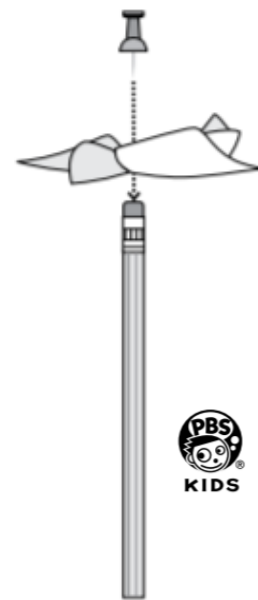

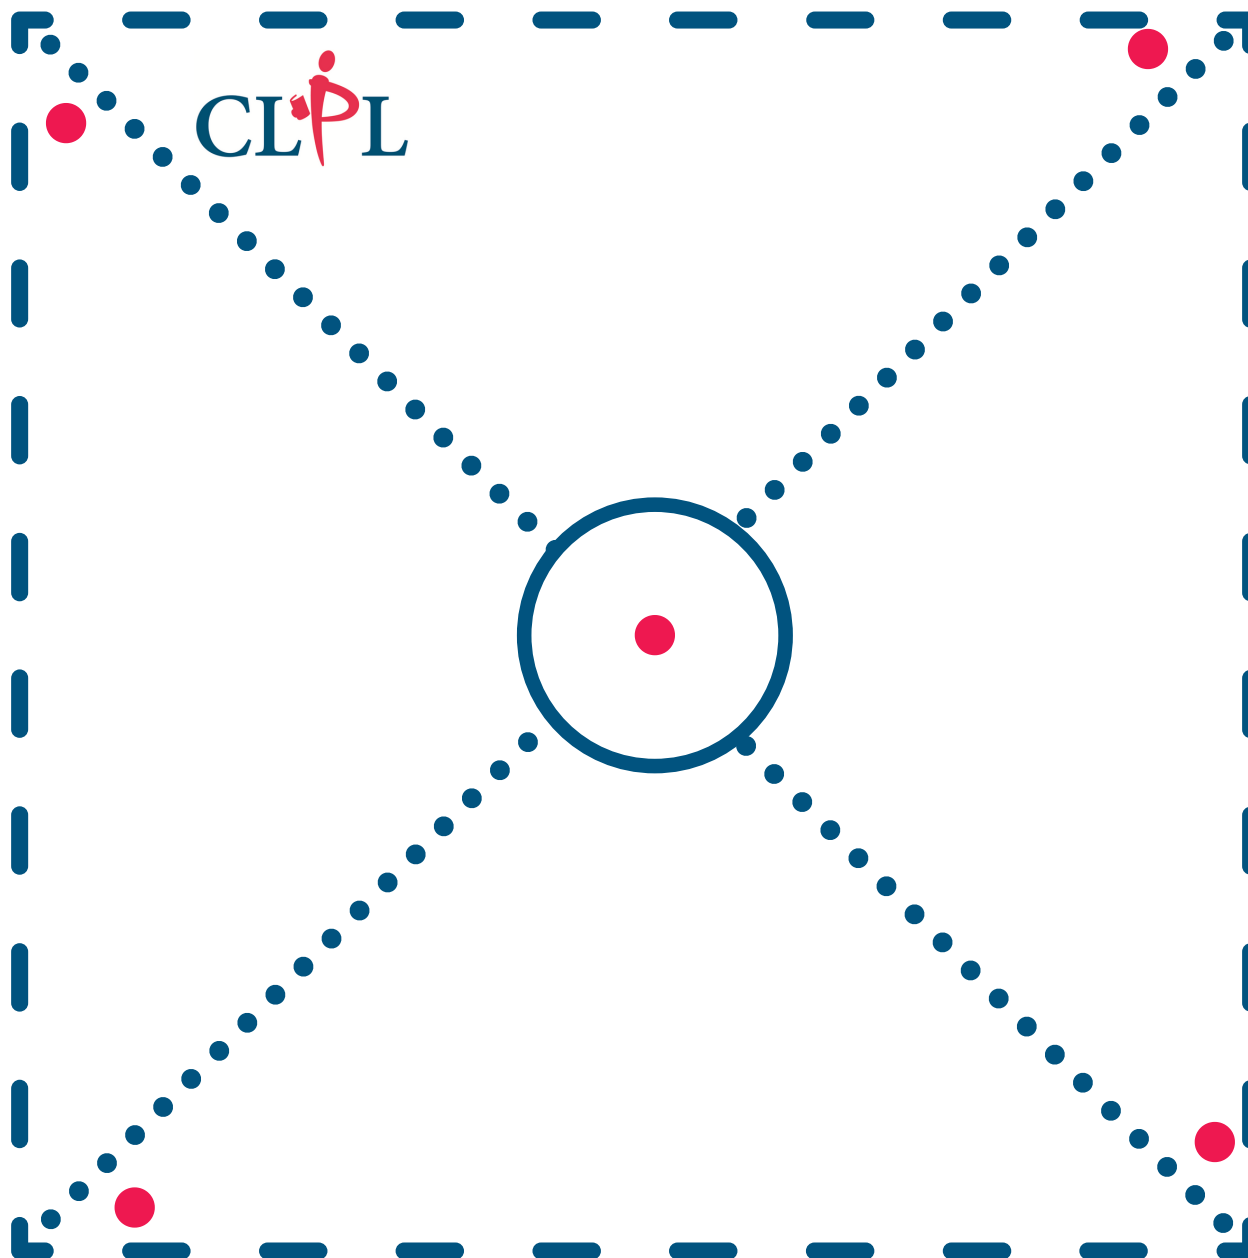

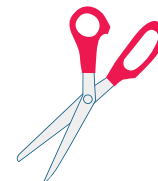

Pinwheel

Materials: Scissors, Pencil with eraser, Push pin

Instructions:

- Cut out the pinwheel along the dashed and dotted lines.
- Use a pin to poke holes through the red dots on each tip and at the center.
- Gently curl—without folding—each tip into the center point.
- Carefully insert the pin through the five holes.
- Push the pin into the pencil eraser at a slight upward angle.

- Making a pinwheel requires adult supervision.
