

## Teen Take-and-Make: Upcycled Pencil Holder

### Supplies:

- One jar
- Book pages
- Ribbon

### Supplies needed:

- Scissors
- Glue (preferably hot glue)

### Instructions:

1. Rip the book pages into manageable pieces.
2. Glue the page pieces to the sides of the jar until the entire jar is covered, except the rim.
3. Measure the ribbon around the rim of the jar, and cut.
4. Glue the ribbon around the base of the jar's rim.
5. Fill the jar with scissors, pencils, pens, or any other supplies you want!
