

## Mini Yarn Banner

### Materials:

- Yarn
- Wooden Dowel

### Instructions:

- Line up yarn and dowel and estimate how long you want your yarn to hang.
- Fold yarn in half and hold in front of dowel so the loop is in front. (see (1) below)
- Tuck yarn ends through the back of the loop through to the front and pull down to secure to dowel. (see (2) below)
- Trim ends at desired length or keep varied for a rustic look.
- Add as many colors as you like to create your perfect design.
- Attach a length of yarn or twine at each end of the dowel to provide a hanger.
- Hang and enjoy!
